

City of Oakland approved extra-legal load permit companies

The Oakland Police Department Commercial Vehicle Enforcement Unit (CVEU) does not issue permits directly. City of Oakland Extra-Legal Load Permits* shall be obtained from one of the companies listed below**.

The City of Oakland follows the California Department of Transportation guidelines in regards to loading and transportation of extra-legal loads. The CVEU verifies the information sent by the companies and may add additional requirements or deny permits to ensure loads travel safely in the City.

* **City/Port of Oakland Heavy Container Permits are not issued by these companies.**

** **The City of Oakland/Oakland Police Department does not endorse or recommend which company to use. The list is provided in alphabetical order.**
