Redevelopment Agency of the City of Oakland  
Oakland, California

**Independent Accountant's Report on  
Applying Agreed-Upon Procedures**

We have performed the procedures applied to all other funds excluding the Low and Moderate Income Housing Funds of the of the former Redevelopment Agency of the City of Oakland (Agency) enumerated in Attachment A, which were agreed to by the Oakland Redevelopment Successor Agency, as Successor Agency to the Agency (Successor Agency), the California State Controller's Office, and the California State Department of Finance (collectively referred to as the Specified Parties), solely to assist the Specified Parties in determining the balances available for transfer to taxing entities from assets transferred to the Successor Agency from all other funds excluding the Low and Moderate Income Housing Funds of the former Agency, as prescribed in Section 34179.5 of the California Health and Safety Code.

Management of the former Agency and the Successor Agency are responsible for the accounting records. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below, either for the purpose for which this report has been requested, or for any other purpose.

The scope of this engagement was limited to performing the agreed-upon procedures applied to all other funds excluding the Low and Moderate Income Housing Funds of the Agency as set forth in Attachment A. Attachment A also identifies the findings noted as a result of the procedures performed.

We were not engaged to and did not conduct an audit, the objective of which would be the expression of an opinion on the balances available for transfer to taxing entities from assets transferred to the Successor Agency from all other funds excluding the Low and Moderate Income Housing Funds of the former Agency or as to the appropriateness of the other financial information summarized in Attachments A, B, C, D, E, F, G, H, I, J, and K. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Successor Agency, the California State Controller's Office, and the California State Department of Finance, and is not intended to be, and should not be, used by anyone other than these specified parties. This restriction is not intended to limit distribution of this report, which is a matter of public record.

**Oakland Redevelopment Successor Agency, Successor Agency to the  
Redevelopment Agency of the City of Oakland**

**Attachment A – Agreed-Upon Procedures and Findings  
Successor Agency, Excluding Low and Moderate Income Housing Funds**

The agreed-upon procedures, as it relates to all funds of the former Agency, excluding Low and Moderate Income Housing Funds, and findings are as follows:

1. Obtain from the Successor Agency a listing of all assets that were transferred from the former redevelopment agency to the Successor Agency on or about February 1, 2012. Agree the amounts on this listing to account balances established in the accounting records of the Successor Agency. Identify in the Agreed-Upon Procedures (AUP) report the amount of the assets transferred to the Successor Agency as of that date.

**Finding:** We obtained from the Successor Agency a listing of all assets (excluding Low and Moderate Income Housing Fund assets) that were transferred from the former redevelopment agency to the Successor Agency on or about February 1, 2012 and agreed the transfer of assets in the amount of \$172,821,000 to the account balances established in the accounting records of the Successor Agency.

2. If the State Controller's Office has completed its review of transfers required under both Sections 34167.5 and 34178.8 and issued its report regarding such review, attach a copy of that report as an exhibit to the AUP report.

**Finding:** The State Controller's Office has not completed its review of transfers required under both Sections 34167.5 and 34178.8 nor issued its report regarding such review.

If this has not yet occurred, perform the following procedures:

- A. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the former redevelopment agency to the city, county, or city and county that formed the redevelopment agency for the period from January 1, 2011 through January 31, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.

**Finding:** We obtained a listing prepared by the Successor Agency of transfers from the former redevelopment agency to the City and noted that the Successor Agency listed asset transfers of \$35,161,938 to the City for the period from January 1, 2011 through January 31, 2012, which includes \$19,284,544 of pooled cash and \$15,877,394 of restricted cash and investments. See Attachment C for the listing of the transfers with a description of the purpose and in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. The transfers were made for the purpose of acquiring properties under the Purchase and Sale Agreement with Leaseback Option (Agreement) entered into on March 3, 2011, whereas the City, as the Seller, agreed to sell various properties to the former redevelopment agency. The Agreement contains a provision allowing the City to leaseback the property at a rental rate of \$1 per year for up to 30 years at any point after the sale.

- B. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the Successor Agency to the city, county, or city and county that formed the redevelopment agency for the period from February 1, 2012 through June 30, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.

**Oakland Redevelopment Successor Agency, Successor Agency to the  
Redevelopment Agency of the City of Oakland**

**Attachment A – Agreed-Upon Procedures and Findings  
Successor Agency, Excluding Low and Moderate Income Housing Funds**

**Finding:** We obtained a listing prepared by the Successor Agency of transfers from the Successor Agency to the City and noted that the Successor Agency did not list any transfers for the period from February 1, 2012 through June 30, 2012.

- C. For each transfer, obtain the legal document that formed the basis for the enforceable obligation that required any transfer. Note in the AUP report the absence of any such legal document or the absence of language in the document that required the transfer.

**Findings:** We obtained the legal document that formed the basis for the enforceable obligation that required any transfer. See Attachment C.

3. If the State Controller's Office has completed its review of transfers required under both Sections 34167.5 and 34178.8 and issued its report regarding such review, attach a copy of that report as an exhibit to the AUP report.

**Finding:** The State Controller's Office has not completed its review of transfers required under both Sections 34167.5 and 34178.8 nor issued its report regarding such review.

If this has not yet occurred, perform the following procedures:

- A. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the former redevelopment agency to any other public agency or to private parties for the period from January 1, 2011 through January 31, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.

**Finding:** We obtained a listing prepared by the Successor Agency of transfers from the former redevelopment agency to any other public agency or to private parties and noted that the Successor Agency did not list any transfers for the period from January 1, 2011, through January 31, 2012.

- B. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the Successor Agency to any other public agency or private parties for the period from February 1, 2012 through June 30, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.

**Finding:** We obtained a listing prepared by the Successor Agency of transfers from the former redevelopment agency to any other public agency or to private parties and noted that the Successor Agency did not list any transfers for the period from February 1, 2012 through June 30, 2012.

- C. For each transfer, obtain the legal document that formed the basis for the enforceable obligation that required any transfer. Note in the AUP report the absence of any such legal document or the absence of language in the document that required the transfer.

**Oakland Redevelopment Successor Agency, Successor Agency to the  
Redevelopment Agency of the City of Oakland**

**Attachment A – Agreed-Upon Procedures and Findings  
Successor Agency, Excluding Low and Moderate Income Housing Funds**

**Findings:** The procedure is not applicable. The Successor Agency did not list any transfers of assets to any other public agency or to private parties for the period January 1, 2011 to June 30, 2012.

4. Perform the following procedures:
  - A. Obtain from the Successor Agency a summary of the financial transactions of the Redevelopment Agency and the Successor Agency in the format set forth in the attached schedule for the fiscal periods indicated in the schedule. For purposes of this summary, the financial transactions should be presented using the modified accrual basis of accounting. End of year balances for capital assets (in total) and long-term liabilities (in total) should be presented at the bottom of this summary schedule for information purposes.
  - B. Ascertain that for each period presented, the total of revenues, expenditures, and transfers accounts fully for the changes in equity from the previous fiscal period.
  - C. Compare amounts in the schedule relevant to the fiscal year ended June 30, 2010, to the state controller's report filed for the Redevelopment Agency for that period.
  - D. Compare amounts in the schedule for the other fiscal periods presented to account balances in the accounting records or other supporting schedules. Describe in the report the type of support provided for each fiscal period.

**Finding:** Please refer to Attachment D for a summary of the financial transactions of the former Agency and the Successor Agency for the periods ended June 30, 2010, June 30, 2011, January 31, 2012, and June 30, 2012. We compared the financial transactions of the former Agency for the period ended June 30, 2010 to the corresponding audited financial statements and State Controller's Report. We noted the former Agency reported total long-term debt in the amount of \$502,399,000 in the State Controller's Report versus the amount reported in the audited financial statements of \$512,527,000, for a difference of \$10,128,000. We agreed the financial transactions of the former Agency for the periods ended June 30, 2011 and January 31, 2012 and of the Successor Agency for the period ended June 30, 2012 to the corresponding audited financial statements. The financial transactions of the Successor Agency are presented using the accrual basis of accounting in lieu of the modified accrual basis of accounting.

5. Obtain from the Successor Agency a listing of all assets of the Low and Moderate Income Housing Fund as of June 30, 2012 for the report that is due October 1, 2012 and a listing of all assets of all other funds of the Successor Agency as of June 30, 2012 (excluding the previously reported assets of the Low and Moderate Income Housing Fund) for the report that is due December 15, 2012. Agree the assets so listed to recorded balances reflected in the accounting records of the Successor Agency. The listings should be attached as an exhibit to the appropriate AUP report.

**Finding:** We obtained from the Successor Agency a listing of all assets of all other funds of the Successor Agency as of June 30, 2012 (excluding the previously reported assets of the Low and Moderate Income Housing Fund) and agreed the assets listed to the recorded balances reflected in the accounting records of the Successor Agency. The Successor Agency reported \$175,317,992 of assets held by the Successor Agency at June 30, 2012. See listing in Attachment E.

6. Obtain from the Successor Agency a listing of asset balances held on June 30, 2012 that are restricted for the following purposes:

**Oakland Redevelopment Successor Agency, Successor Agency to the  
Redevelopment Agency of the City of Oakland**

**Attachment A – Agreed-Upon Procedures and Findings  
Successor Agency, Excluding Low and Moderate Income Housing Funds**

- A. Unspent bond proceeds:
- i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures, amounts set aside for debt service payments, etc.)
  - ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
  - iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.
- B. Grant proceeds and program income that are restricted by third parties:
- i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).
  - ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
  - iii. Obtain from the Successor Agency a copy of the grant agreement that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.
- C. Other assets considered to be legally restricted:
- i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).
  - ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
  - iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by Successor the Agency as restricted.
- D. Attach the above mentioned Successor Agency prepared schedule(s) as an exhibit to the AUP report. For each restriction identified on these schedules, indicate in the report the period of time for which the restrictions are in effect. If the restrictions are in effect until the related assets are expended for their intended purpose, this should be indicated in the report.

**Finding:** We obtained from the Successor Agency its computation of the restricted balances for unspent bond proceeds and other assets considered to be legally restricted as of June 30, 2012; traced the individual components of this computation to related account balances in the accounting records, or to other supporting documents as specified in Attachment F and obtained a copy of the legal document that sets forth the restriction pertaining to these balances.

Please refer to Attachment F for the listing of the Successor Agency's restricted assets, excluding the Low and Moderate Income Housing Fund assets, held by the Successor Agency at June 30, 2012, descriptions of the period of time for which the restrictions are in effect and findings noted.

Redevelopment Agency of the City of Oakland**

**Attachment A – Agreed-Upon Procedures and Findings

7. Perform the following procedures:

- A. Obtain from the Successor Agency a listing of assets as of June 30, 2012 that are **not** liquid or otherwise available for distribution (such as capital assets, land held for resale, long-term receivables, etc.) and ascertain if the values are listed at either purchase cost (based on book value reflected in the accounting records of the Successor Agency) or market value as recently estimated by the Successor Agency.
- B. If the assets listed at 7.A. are listed at purchase cost, trace the amounts to a previously audited financial statement (or to the accounting records of the Successor Agency) and note any differences.
- C. For any differences noted in 7.B., inspect evidence of disposal of the asset and ascertain that the proceeds were deposited into the Successor Agency trust fund. If the differences are due to additions (this generally is not expected to occur), inspect the supporting documentation and note the circumstances.
- D. If the assets listed at 7.A. are listed at recently estimated market value, inspect the evidence (if any) supporting the value and note the methodology used. If no evidence is available to support the value and/or methodology, note the lack of evidence.

**Finding:** We obtained from the Successor Agency a listing of assets as of June 30, 2012 that are not liquid or otherwise available for distribution. See attachment G. The assets are listed at purchase cost and/or fair value, which we traced to the accounting records of the Successor Agency and did not note any differences.

8. Perform the following procedures:

- A. If the Successor Agency believes that asset balances need to be retained to satisfy enforceable obligations, obtain from the Successor Agency an itemized schedule of asset balances (resources) as of June 30, 2012 that are dedicated or restricted for the funding of enforceable obligations and perform the following procedures. The schedule should identify the amount dedicated or restricted, the nature of the dedication or restriction, the specific enforceable obligation to which the dedication or restriction relates, and the language in the legal document that is associated with the enforceable obligation that specifies the dedication of existing asset balances toward payment of that obligation.
  - i. Compare all information on the schedule to the legal documents that form the basis for the dedication or restriction of the resource balance in question.
  - ii. Compare all current balances to the amounts reported in the accounting records of the Successor Agency or to an alternative computation.
  - iii. Compare the specified enforceable obligations to those that were included in the final Recognized Obligation Payment Schedule approved by the California Department of Finance.
  - iv. Attach as an exhibit to the report the listing obtained from the Successor Agency. Identify in the report any listed balances for which the Successor Agency was unable to provide appropriate restricting language in the legal document associated with the enforceable obligation.

**Finding:** The Successor Agency believes that asset balances are needed to be retained to satisfy enforceable obligations, however, as there is a deficiency of assets held at June 30, 2012 to pay enforceable obligations on the Recognized Obligation Payment Schedule for the period of July 1, 2012 through June 30, 2013 (as documented in Procedure #9), the remaining unfunded enforceable

obligations will be paid from redevelopment property tax trust fund distributions on future Recognized Obligation Payment Schedules.

- B. If the Successor Agency believes that future revenues together with balances dedicated or restricted to an enforceable obligation are insufficient to fund future obligation payments and thus retention of current balances is required, obtain from the Successor Agency a schedule of approved enforceable obligations that includes a projection of the annual spending requirements to satisfy each obligation and a projection of the annual revenues available to fund those requirements and perform the following procedures:
- i. Compare the enforceable obligations to those that were approved by the California Department of Finance. Procedures to accomplish this may include reviewing the letter from the California Department of Finance approving the Recognized Enforceable Obligation Payment Schedules for the six month period from January 1, 2012 through June 30, 2012 and for the six month period July 1, 2012 through December 31, 2012.
  - ii. Compare the forecasted annual spending requirements to the legal document supporting each enforceable obligation.
    - a. Obtain from the Successor Agency its assumptions relating to the forecasted annual spending requirements and disclose in the report major assumptions associated with the projections.
  - iii. For the forecasted annual revenues:
    - a. Obtain from the Successor Agency its assumptions for the forecasted annual revenues and disclose in the report major assumptions associated with the projections.
- C. If the Successor Agency believes that projected property tax revenues and other general purpose revenues to be received by the Successor Agency are insufficient to pay bond debt service payments (considering both the timing and amount of the related cash flows), obtain from the Successor Agency a schedule demonstrating this insufficiency and apply the following procedures to the information reflected in that schedule.
- i. Compare the timing and amounts of bond debt service payments to the related bond debt service schedules in the bond agreement.
  - ii. Obtain the assumptions for the forecasted property tax revenues and disclose major assumptions associated with the projections.
  - iii. Obtain the assumptions for the forecasted other general purpose revenues and disclose major assumptions associated with the projections.
- D. If procedures A, B, or C were performed, calculate the amount of current unrestricted balances necessary for retention in order to meet the enforceable obligations by performing the following procedures.
- i. Combine the amount of identified current dedicated or restricted balances and the amount of forecasted annual revenues to arrive at the amount of total resources available to fund enforceable obligations.
  - ii. Reduce the amount of total resources available by the amount forecasted for the annual spending requirements. A negative result indicates the amount of current unrestricted balances that needs to be retained.
  - iii. Include the calculation in the AUP report.

**Oakland Redevelopment Successor Agency, Successor Agency to the  
Redevelopment Agency of the City of Oakland**

**Attachment A – Agreed-Upon Procedures and Findings  
Successor Agency, Excluding Low and Moderate Income Housing Funds**

**Finding:** Procedure A was deemed not applicable and, therefore, Procedures B, C and D were deemed not necessary.

9. If the Successor Agency believes that cash balances as of June 30, 2012 need to be retained to satisfy obligations on the Recognized Obligation Payment Schedule (ROPS) for the period of July 1, 2012 through June 30, 2013, obtain a copy of the final ROPS for the period of July 1, 2012 through December 31, 2012 and a copy of the final ROPS for the period January 1, 2013 through June 30, 2013. For each obligation listed on the ROPS, the Successor Agency should add columns identifying (1) any dollar amounts of existing cash that are needed to satisfy that obligation and (2) the Successor Agency's explanation as to why the Successor Agency believes that such balances are needed to satisfy the obligation. Include this schedule as an attachment to the AUP report.

**Finding:** We noted the Successor Agency believes that cash balances in the amount of \$40,954,764 as of June 30, 2012 need to be retained to satisfy obligations on the ROPS for the period from July 1, 2012 through June 30, 2013. Please refer to Attachment H for the schedule prepared and the results of this procedure. Also, see Attachment I for the maximum RPTTF obligations approved by DOF for ROPS II, Attachment J for a copy of the ROPS II and Attachment K for a copy of the ROPS III.

10. Include (or present) a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities. Amounts included in the calculation should agree to the results of the procedures performed in each section above. The schedule should also include a deduction to recognize amounts already paid to the County Auditor-Controller on July 12, 2012 as directed by the California Department of Finance. The amount of this deduction presented should be agreed to evidence of payment. The attached example summary schedule may be considered for this purpose. Separate schedules should be completed for the Low and Moderate Income Housing Fund and for all other funds combined (excluding the Low and Moderate Income Housing Fund).

**Finding:** See Attachment B for the results of this procedure.

11. Obtain a representation letter from Successor Agency management acknowledging their responsibility for the data provided to the practitioner and the data presented in the report or in any attachments to the report. Included in the representations should be an acknowledgment that management is not aware of any transfers (as defined by Section 34179.5) from either the former redevelopment agency or the Successor Agency to other parties for the period from January 1, 2011 through June 30, 2012 that have not been properly identified in the AUP report and its related exhibits. Management's refusal to sign the representation letter should be noted in the AUP report as required by attestation standards.

**Finding:** No exceptions noted as a result of this procedure.

## Attachment I - Maximum RPTTF Obligations Approved by DOF for ROPS II period

The schedule below represents the amount of property tax requested to pay for enforceable obligations from the Redevelopment Property Tax Trust Fund (RPTTF) for the January through June 2012 ROPS and the July through December 2012 ROPS. It also details Finance's questioned and approved amount of RPTTF from our reviews of the agencies' ROPS. Please note, the amount of available RPTTF is the same as the property tax increment that was available prior to ABx1 26. This amount is not and never was an unlimited funding source. Therefore as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available in the RPTTF. Additionally, Health and Safety Code section 34177 (l) (E) states that RPTTF is an appropriate funding source, but only to the extent no other funding source is available or when payment from property tax revenues is required by an enforceable obligation. Therefore, successor agencies should exhaust all other available funding sources and only use RPTTF as a last resort.

**NOTE: Cells highlighted in green represent a successor agency that did not adequately specify funding sources on the ROPS. Therefore, Finance could not perform this calculation.**

		January to June 2012		
County	Successor Agency	Total Obligations Requested to be Paid for with RPTTF per 6-Month Period (Includes Pass-Through Payments listed in ROPS)	Total RPTTF Obligations Questioned by Finance per 6-Month Period	Maximum RPTTF Obligations Approved by Finance per 6-Month Period (see footnote at the bottom of the page)
Alameda	Redevelopment Agency of the City of Oakland	\$ 25,801,695	\$ 23,373	\$ 25,778,322

July to December 2012		
Total Obligations Requested to be Paid for with RPTTF per 6-Month Period (Does not include pass-through payments listed in ROPS)	Total RPTTF Obligations Questioned by Finance per 6-Month Period	Maximum RPTTF Obligations Approved by Finance per 6-Month Period (see footnote at the bottom of the page)
\$ 36,596,657	\$ -	\$ 36,596,657

Footnote: Each ROPS is limited to the amount of net property tax after pass-throughs and county auditor-controller costs for that period. Consequently, the amount of property tax actually received by each Successor Agency will differ from the sums shown in the columns titled Maximum RPTTF Obligations Approved by Finance per 6-Month Period.
