Erin Burton presented the staff report for Item 8G. The Oakland Carnival is an annual free community festival held at Mosswood Park. Organizers requested permission to collect registration fees from onsite vendors and for approval for vendors to sell goods and food items. Oakland Carnival is a family friendly event for the public featuring Oakland artisans celebrating African, Caribbean, and Latin American Cultures. Oakland Carnival attracts many Oakland residents for this one day event held at Mosswood Park. The merchandise sold will include clothing, soaps, beauty products and art. Food sales will also highlight culturally diverse cuisines. Individual vendors only, will benefit from sale of items.

Traditionally, the event was held on Memorial Day; however, this year the date was changed and organizers have limited promotional activities in an effort to control the number of attendees to better meet their waste management goals. In addition, a private firm will deploy a team of 10 to 15 licensed personnel to manage the event's security.

Staff will work with the Oakland Carnival organizers to ensure the Post Event Report is received and on file for review by the PRAC in 2017.

Motion: Commissioner Wu entertained a motion to approve the staff recommendation to allow Oakland Carnival Festival organizers to solicit fees for vendor registration, food concessions and sales of goods and wares by vendors for the 2016 event at Mosswood Park on June 4, 2016, and further approve that:

Oakland Carnival Festival organizers continue to present to the Parks and Recreation Advisory Commission (PRAC) every year until 3 consecutive successful events have occurred in accordance with Oakland Parks & Recreation and PRAC requirements.

Producers of Oakland Carnival provide at least 3 portable restrooms, one of which is ADA accessible, and 2 hand washing stations, one of which is ADA accessible.

Re: Request for vending permit and food trucks

A rowing regatta, the Southwest Regional Championships, is scheduled for Sunday, July 24, 2016 on Lake Merritt. The regatta is sponsored by the US Rowing Association (USRA), and will be conducted by the Lake Merritt Rowing Club (LMRC), a non-profit organization.

LMRC has held yearly regattas at Lakeside Park since 2007, with exception of 2014, 2015. This event is a major regional championship for the USRA, and attracts rowers from throughout the western states, including California, Oregon, Washington, Colorado, and Texas. A reservation request for the use of the Sailboat house and areas adjacent to the Sailboat House has been granted by the Parks Department.

For this year, we would like to request that the club be allowed to sale basic food items, event t-shirts, and to have food trucks be present at the event to give rowers and spectators additional food options. The items sold by the club would include such as the following: prepared sandwiches, fresh fruit, bagels with cream, bottled and fresh fruit drinks, soft drinks, coffee, and snacks (\$1-\$5) and event t-shirts (\$15). Food truck sale items will be between \$5-\$12.

The proceeds of the food sales and event t-shirts will be used to offset the event costs and fund LMRC's annual summer youth rowing program which offer a scholarship to Oakland youths.

Re: Request from East Bay Front Runners and Walkers to Collect On-Site Registration Fees and Sell Limited Merchandise during the 5K/10K Pride Run/Walk at Lakeside Park on Saturday, October 8, 2016

Dear Commissioners:

East Bay Front Runners and Walkers is a group of lesbians, gay men, bisexuals, transgenders, and friends who enjoy exercising outdoors. The club holds a run/walk every Saturday morning at a scenic location in the East Bay, including Lake Merritt, the Emeryville-Berkeley shoreline, and Bay Farm Island. The Saturday morning run/walks are non-competitive and very informal; participants simply meet at the announced location and then run or walk together.

Since 2005, the club has held an annual Pride Run/Walk consisting of 5K and 10K loops around Lake Merritt to encourage healthy recreation, particularly among those who are interested in a competitive event. The Pride Run/Walk is timed, and the winners in various categories are recognized. All participants receive simple refreshments (muffins, bagels, fruit, and juice) and a pair of EBFR&W socks bearing the club's initials. A few informational booths have been set up by a local chiropractor and a gym, but they sell no goods.

Net proceeds from the Pride Run/Walk event have been donated to several local nonprofit organizations, and we plan to continue doing this in future years. The club has endeavored to turn over all event proceeds after expenses to recipient organizations. (Ordinary club expenses are supported by annual membership dues and not by the Pride Run event.) The 2015 Pride Run/Walk event held by East Bay Front Runners and Walkers produced \$2,500 that was donated to the following organizations:

- Pacific Center in Berkeley, which provides professional counseling and advocacy to enhance the well-being and self-respect of lesbian, gay, bisexual, and transgender individuals.
- Oakland East Bay Gay Men's Chorus, a 40 to 50 voice gay men's chorus that performs a wide variety of music each year in concert and in numerous church, community and outreach performances.

Recipient organizations in 2016 have not yet been determined.

cc: Hil A

The number of participants each year has varied a little, but has remained at about 150 including those who ran or walked and those who volunteered on race day. In 2015, 122 persons registered, although some did not participate on race day. Runners and walkers were encouraged to pre-register using the club's website (www.eastbayfrontrunners.org). As planned, most participants in the 2015 event registered in advance. Participants were encouraged to do so: advance registration was \$25, while same-day registration was \$30. The number of registrants were as follows:

Pre-registered, prepaid:	108	(\$25 each)
Registered/paid on-site:	14	(\$30 each)

In 2016, East Bay Front Runners and Walkers hopes to maintain or expand the reach of its annual Pride Run/Walk, both in the number of participants and in the funds raised for donation to worthy organizations. To assist in meeting this goal, the club requests permission to accept registration fees on race day at the event in Lakeside Park on October 8, 2016. Pre-registration will continue to be encouraged, using the club's website. As in 2015, we anticipate that most participants will pre-register, even if given a choice to register on-site, but having the ability to accept on-site registration enhances the event's appeal and increases the number of participants. We hope to reach a goal of approximately 200 registrants in 2016, with fees collected on-site to be no more than about \$1,000.

In 2016, no on-site donations will be solicited either for East Bay Front Runners and Walkers or for the recipient organizations. No sale of food items will take place. We do request permission to sell one merchandise item on-site. The EBFR&W club produces socks bearing the club's initials, and one pair of socks is given to each participant in the run/walk. We request permission to sell additional pairs of socks to any participants who might want them (we sold no pairs of socks at the 2015 Pride Run/Walk, but sold 2 pair the previous year). Socks would be sold approximately at cost (about \$7 per pair), not as a fund-raising measure but simply as a convenience to participants.

East Bay Front Runners and Walkers is a nonprofit organization with 501(c)(3) status and is affiliated with Road Runners Club of America (www.rca.org), a nationwide organization that provides advice, support, and liability insurance for recreational running clubs. Liability insurance for East Bay Front Runners and Walkers' Pride Run/Walks is supplied through RRCA.

Thank you for your consideration, and please do not hesitate to let me know if I can provide additional information. Members of our club will be more than willing to attend a Parks and Recreation Advisory Commission meeting and answer any questions.

Truly yours,

Raymond P. Suderman-Talco
Member, Pride Run Committee

Oakland Parks and Recreation

TO: Barry Miller, Chair, Parks and Recreation Advisory Commission
FROM: Dana Riley, Oakland Parks and Recreation
DATE: May 11, 2016
SUBJECT: Request for Approval to Dedicate a Bench to the Art Deco Society of California

SUMMARY

Parks & Recreation staff was contacted by Laurie Gordon requesting to dedicate a bench to celebrate the 35th anniversary of the Art Deco Society of California. The selected bench is located between the Bird Sanctuary and the Sailboat House in Lakeside Park and is one of the recently installed black metal benches. The dedication plaque will read:

**Dedicated to The Art Deco Society of California
Celebrating 35 Years of Historic Preservation
*a gift from Richard Fishman and Laurie Gordon***

FISCAL IMPACT

Laurie Gordon and Richard Fishman will make a minimum donation of \$800 to the Oakland Parks and Recreation Foundation to have a plaque purchased and installed. The plaque installation process is in accordance with the Public Works Agency construction requirements.

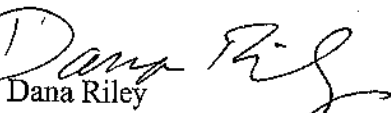

BACKGROUND

The Art Deco Society is a Historic Preservation Group with a mission to save and bring awareness to structures and cultural contributions of the 1920s and 1930s. The organization has been involved in the fundraising for the Necklace of Lights, Paramount Theatre, Fox Theater, Cleveland Cascade and more. The specific bench was selected because it looks out towards the donor's residence but also to the new "home" of the Art Deco Society of California which recently moved into an office at the Bellevue Club after being based in San Francisco for 25 years. To support this move to Oakland, the donors want to dedicate a bench as their gift to the Art Deco Society.

RECOMMENDATION

Staff recommends that the Parks and Recreation Advisory Commission approve the plaque language as written for dedication of a bench located between the Bird Sanctuary and the Sailboat House in Lakeside Park.

DATE: May 11, 2016
SUBJECT: **REQUEST APPROVAL FROM THE PARKS AND RECREATION ADVISORY COMMISSION TO GRANT PERMISSION TO ALLOW COMMUNITY MERCHANTS TO COLLECT DONATIONS ON SITE AT THE XICANA MORATORIUM COALITION'S FESTIVAL AT SAN ANTONIO PARK ON SUNDAY, AUGUST 28, 2016.**

EXECUTIVE SUMMARY / OUTCOME

Oakland Parks and Recreation received a request from Aurora Lopez and Sagnicthe Salazar, Program Directors for The Xicana Moratorium Coalition, for permission to have community and local arts and crafts merchandise vendors collect donations at their Annual Festival at San Antonio Park on Sunday, August 28, 2016. The funds raised will be used to cover the costs of presenting the festival, e.g. stage rental, clean-up, tables/chairs, and to continue to do future community events like this one to promote support for local talent and artists.

FISCAL IMPACT

The San Antonio Recreation Center will collect rental fees in the amount of \$1,170 paid by The Xicana Moratorium Coalition for this event. This is a positive fiscal impact.

BACKGROUND

Xicana Moratorium has been promoting this event for 36 years, three (3) of those years at San Antonio Park. This year they are requesting to have vendors and to allow the collection of funds. Each event is free to the community and normally attracts about 200 attendees. Many of the participating vendors are community based organizations and local community artist who offer arts and crafts items for sale. They anticipate collecting \$200-\$300 from donations.

Xicana Moratorium Coalition is expected to have 5 to 10 arts & crafts vendors. There will be no food vendors, all food will be free at this event. The vendors pay table/booth fee/donation of \$20. Vendors also donate their arts for raffling as part of the agreement. This festival is dedicated to bringing the community together and building unity through the arts. This event also allows the showcasing and exposure as well as support for local talent in the Oakland community.

RECOMMENDATION

Staff recommends that the Park and Recreation Advisory Commission approve the request to allow The Xicana Moratorium Coalition to have community merchants collect donations at their 37th Annual Festival at San Antonio Park on Sunday August 28, 2016. Aurora Lopez and Sagnicthe Salazar, Program Directors, are aware that additional permits will be required by the merchants and the Xicana Moratorium Coalition provided their request is granted.

Dear Parks and Recreation Advisory Commission:

Xicana Moratorium Coalition (XMC) would like to request your support in hosting the 37th Annual Xicana Moratorium Day on Sunday August 28th in San Antonio Park. Xicana Moratorium Coalition is a Coalition that has been around for over 20 years in the East Bay working with Raza (latino) youth to build leadership, relearn history and traditions, and work to create change around issues impacting our community. XMC works with middle school, high school and college age youth and is completely grassroots - all individuals, both adults and youth, are volunteer. Our youth have worked on various community festivals, garden projects, mural making, and support for families impacted by violence. The aim of our festivals and events is to do education in our communities around issues impacting us, such as immigration, the prison system, lack of quality education, violence in the streets, etc., and we work to empower both our young people and community to make changes.

Xicana Moratorium Day is a community gathering and festival to both honor a history of resistance and oppression within Raza communities in the U.S. and abroad, as well as a gathering to continue bringing community together to educate and organize around ongoing issues within our communities locally and abroad, and to celebrating the ongoing resistance, resiliency and culture of Raza people.

The original Chicano Moratorium Day was held on August 29th, 1970 at Ruben Salazar Park in Los Angeles, Ca. This nation wide gathering was organized as a peaceful protest in response to the Vietnam War and the disproportionate number of Chicanos dying at war. It was also a call to action for Chicanos to unite and put an end to the cultural, institutional, and political attacks. More than twenty thousand people from around the nation attended this gathering. What began as a peaceful protest ended in a devastating nightmare for brown people. Uniformed with riot gear, the LAPD rushed the park with the excuse that a group of young people had stolen a 6 pack from a near by liquor store and ran into the crowd of protestors. The Los Angeles Police riot left many people severely beaten, including students, elders, and organizers. Among the many injured, three people were murdered by the LAPD, Angel Diaz, Lynn Ward from the Brown Berets, and Ruben Salazar. Ruben Salazar was a news reporter for the LA Times who represented one of the first voices in mainstream media who brought to light the issues and concerns of the Raza community.

This year's event will be taking place on August 28th 2016 from 5am to 5pm. This event always takes place the last Sunday of August to commemorate the original Moratorium Day which also took place the last Sunday of August. We start off with a sun rise ceremony which is a indigenous tradition to pray to the sun in community and give blessings to our communities and for the day. After sun rise we begin set up for the event and Aztec dancers begin prepare to dance from 10-12pm to celebrate our culture, honor our history, and give blessings for the day. After the Aztec dancers we begin the festival which takes place from 12-5pm and it includes, cultural artists, community speakers, and local bands for families and community to enjoy while they are also learning about current struggles and organizing efforts. During this time we BBQ which we give out for free to all in attendance. Our young people also prepare activities for kids and monitor kids who want to get in the jumper. Lastly we like to invite local community organizations to table and local artists to vend.

The funds that would be collected at the event would be from sales for local vendors and we would also like to collect donations for the food and event in general. We want to make sure local art is supported and thriving which is why we like to invite vendors to sale anything from paintings to hand made bags. We collect donations because that helps us continue our work as this event and all events we put on are free to the community and are able to happen through donations and fundraisers that our youth organize. There will be about 20 vendors in total. There are no food vendors, only free food that we provide for all participants. We collect about \$150 in total worth of donations from participants.

We really hope that PRAC will support the continuation of this event that has been going on for the last 35 years, for three of those years now in Oakland. We hope that this event can be institutionalized in the city and be part of Oakland culture. We thank you in advance for allowing us on the agenda and support Xicana Moratorium Day.

With Gratitude,
Xicana Moratorium Coalition organizers

Many of the participating vendors were community-based organizations and local community artists who offered arts and crafts items for sale. They anticipate collecting between \$200 - \$300 from donations.

Xicana Moratorium Coalition is expecting to have 5 to 10 arts & crafts vendors. There will be no food vendors, all food will be free at this event. The vendors pay a table/booth fee/donation of \$20. Vendors also donate their arts and crafts for raffling as part of the agreement. This festival is dedicated to bringing the community together and building unity through the arts. ACE ARTS**

SUMMARY

OaklandTrails.org seeks to host a free event at the Dimond Recreation Center on Wednesday, May 25, 2016, from 6:00PM to 9:00PM. The event would feature a lecture from local historian Dennis Evanosky "The History of the East Bay Redwoods", a screening of the 20-minute documentary TRAILHEAD, and an art sale featuring "Ghost in the Redwoods" by local artist Kristi Holohan. Dimond Rec has partnered with both these organizations in the past and benefited from each partnership.

OaklandTrails.org and ACE Arts, both fiscal account holders with the Oakland Parks & Recreation Foundation (OPRF), would actively fundraise at this event by:

1. Selling "Ghost in the Redwoods" limited edition prints, signed and numbered by the artist (\$175)
2. Selling TRAILHEAD merchandise, including t-shirts (\$20), water bottles (\$10), and DVDs of the film (\$10)
3. Soliciting tax-deductible donations

FISCAL IMPACT

Oakland Trails.org and ACE Arts are asking for the \$60/hour fee to be waived (total fee waived for 3 hours=\$180). My staff time (Michelle Doppelt) would be adjusted time.

PROJECT / PROGRAM DESCRIPTION

The free event would promote Oakland Parks (especially Dimond Canyon and Joaquin Miller), educate attendees about the history of Oakland's redwood forests, and would give two OPRF account holders an opportunity to fundraise for Oakland projects.

Schedule:

6:00PM-6:00PM	set-up
6:30PM-6:45PM	welcome and introductions by Stan Dodson
6:45PM-7:30PM	lecture and Q&A: "History of the East Bay Redwoods" by Dennis Evanosky
7:30PM-8:00PM	screening of TRAILHEAD documentary
8:00PM-8:30PM	final remarks, art sale
8:30PM-9:00PM	break down and clean up

BACKGROUND / LEGISLATIVE HISTORY

ACE Arts works with various communities and organizations to bring fundamental art skills and materials to populations who are underserved, and/or isolated, and who may not otherwise have access to many artistic forms of expression.

OaklandTrails.org is actively fundraising for several park promotion and improvement projects:

1. Oakland Volunteer Park Patrol
2. Production of virtual hiking tours for the Canogle smartphone platform
3. Trails Steps in Joaquin Miller Park
4. TRAILHEAD outreach and promotion

RECOMMENDATION

Staff recommends that the Park and Recreation Advisory Commission approve the request for OaklandTrails.org and ACE Arts to have a fundraising and educational event on Wednesday May 25th from 6-9 pm in the Dimond Rec Social Hall.

CRISIS SUPPORT SERVICES
of Alameda County

April 18, 2016

Dear Parks and Recreation Advisory Commission,

With this letter, Crisis Support Services of Alameda County (CSS) would like to request to collect funds on-site for its upcoming fundraiser.

Brief History of Organization: Crisis Support Services has provided free 24-hour crisis intervention and suicide prevention services in Alameda County since 1966. As an affiliate of the National Suicide Prevention Hotline, we answer nationwide calls originating from the Bay Area.

Overview of Event: On **Sunday, July 10, 2016, from 3:00pm to 6:00pm**, Crisis Support Services would like to host a fundraising event at **Studio One Art Center** in an effort to raise funds for our mental health programs and services. The event will include a silent auction and an exhibition of artwork by CSS staff and volunteers. We will serve light refreshments.

Request to collect funds on-site: We request to collect funds on-site for: 1) Our Silent Auction; 2) Door Ticket Sales, and; 3) Donations.

Dollar Amount of All Monies to Collect on Site: 1) Silent Auction: \$3,500; 2) \$375 Door Ticket Sales (\$25 x 15 walk-ins), and; 3) \$200 in Donations.

Why Funds Collected On-Site: The Silent Auction occurs at the event and we want all winning bidders to be able to pay on-site so they can take their auction items home with them; For tickets at the door, we want to be able to accommodate our last-minute guests and anyone who walks by and wants to come in; we will offer light refreshments with volunteers serving food and drink and would like to have a donation jar available at the food/drink table for anyone inclined to make a donation to CSS.

Who will benefit from the funds being collected: Our free and low fee mental health services go beyond education, counseling and crisis intervention—they provide support groups for suicide attempters and the survivors of suicide, as well as services to the chronically mentally ill. We offer a safety net to those in crisis and serve many of our most vulnerable community members who have little or no access to mental health services.

I have included our 501c3 Letter with this proposal. Feel free to contact me directly at (510) 420-2472 or email me at kmizuhara@crisissupport.org if you have any questions.

Respectfully Yours,

Kim Mizuhara

To the Parks and Recreation Advisory Commission:

On behalf of The Perfect Sidekick, the first and only all-inclusive LGBTQ gym in the nation, we are submitting this letter in hopes of approval to host the inaugural 5K Run during Oakland Pride on Saturday, September 10th at Lake Merritt Amphitheater for 100-250 people. We will be partnering with Oakland Pride as well as Oaklandish. Since opening in July 2010, we have grown to 150 members and take great pride in helping support healthy-happy lifestyles for the LGBT community, as well as our hetero-neighbors in Oakland. We are located at 2706 Park Blvd, Oakland, CA 94606. We have also been featured on AfterEllen, Univision, HuffPost, Latina Magazine, Associated Press and several other media outlets.

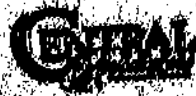

This 5K would be the inaugural 5K run for Oakland Pride and we're excited for the opportunity to organize and host it. It will have anywhere from 100-299 people. We are requesting to collect payments: \$30 from runners who did not register online and must register the day of onsite. No food, drinks or merchandise will be sold. People will pay \$20 for early registration, \$25 for regular registration and \$30 for onsite registration. The funds will go towards helping pay for the event expenses. We are not coordinating the 5K to make a profit, we want to do something fun with Oakland Pride and let people know about Oakland businesses such as ours and Oaklandish. It's all about a healthy and fun community activity.

We look forward to a great event for our community! Thank you for your time and consideration.

Sincerely,

Nathalie Huerta

TO: Parks and Recreation Advisory Commission
RE: DOPEONLY/COOL WATER
SUBJECT: REQUEST TO COLLECT FUNDS AT JACK LONDON AQUATIC CENTER

WHO WE ARE

DopeOnly or DO is a brand management/marketing firm, but, at its core, it is a place where ideas lead and find room to flourish. We have long been interested in what's fresh, new, and innovative, with a conscious eye on its ability to not only have sustaining power but have cultural appeal as well. DO has been in business for just over 4 years and it is our mission to be a space where fresh occurrence happens continually, be it products, events, or conversation. We welcome, and even encourage you, to visit our site, www.DopeOnly.com. Upon doing so, you will immediately be introduced to our keen sense of pride for our city, Oakland, and the varying walks of life that make-up its community.

ALL ABOUT "COOL WATER"

It is our hope to find synergy with the City of Oakland for a gathering we have created called "Cool Water". To date, we have done 10 Cool Water events, spanning back to 2013, including one abroad. The response has been overwhelming to say the least, complete with folks beginning to call it "the best kept secret in Oakland" because we don't promote it in conventional ways, i.e. flyers, redundancy, and/or heavy radio spots. We've been able to target likeminded folks and they, in kind, tell folks who they know would be a benefit to the gathering itself. The result is a grand melting pot of vast walks of life, from doctors, lawyers, city officials, state officials, and a host of other professionals all adding to the "cool". Though the ages range from 25-50, there truly is no demographic for "cool", it just is. For our part, just add water. We've been able to create a groove that people look forward to. Cool Water, itself, has become culture, exactly what it was intended to do. Its community element is simple, it fueled "Hoodies for the Homeless". However, broadly, it is meant to impact Oakland in a positive way any time it comes around.

We are formally requesting to collect funds at Jack London Aquatic Center

The funds collected will be as follows:

Entry Fee \$20.00

Alcohol beverage sales ranging from \$8.00-\$15.00 per drink

Sales to food vendors ranging from \$6.00 - \$15.00

T-Shirt/Sweat shirt sales ranging from \$10.00 - \$40.00

The funds collected will support small businesses at Cool Water via vendorship. A wide array of food types and art have come to gather at Cool Water, highlighting the flow of commerce. However, each and every small business there must have the same feel for customer service that we have, which is

Exhibit A

there is nothing more important, period. It is our hope to catapult a standard of business where high level products and high level customer service are common place.

We have begun this process and the initial steps have been excellent. Please be advised, we are a "for profit" collective, but there is nothing that we have done and will do that doesn't somehow circle back to home in a genuine effort to cultivate positive outcomes in and for our community.

WHAT WE DO

Everything we do is community based and returns there, and not as a fleeting campaign but as culture. We believe "Appreciation" doesn't have a scale; its value is heightened by the one who is experiencing it at a given time, so to give, no matter how small, can have an immeasurable reward. Also, the idea of community has no separation; it's a broad feeling for the whole of its parts, and to that end, absolutely nothing is off limits because "what's dope" penetrates life itself.

- **Annual Backpack and school supplies give-a-way** for students exemplifying excellence in the classroom.
- **"Hoodies for the Homeless"** initiative that literally puts a blanket around Oakland, on behalf of the members of our community who are in need during those cold and rainy winter months.
- **Supports two girl track teams**, which provides work out pants and uniforms and gives a portion of the revenue generated to the squad to assist in needs that may arise of a financial nature.

We truly appreciate the city officials who have reached out to us in efforts to bring what Cool Water is into the city fold, this I can't stress enough. It is our hope that we can find a way to further the groove together, uninterrupted. Please feel free to give me a call at 510-638-3192 if you have any questions, comments, concerns, or issues of any kind regarding this proposal.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably be expected to be a publicly supported organization described in section 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, you will be treated as a publicly supported organization, and not as a private foundation, during an advance ruling period. This advance ruling period begins on the date of your inception and ends on the date shown above.

Within 90 days after the end of your advance ruling period, you must submit to us information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, you will be classified as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, you will be classified as a private foundation for future periods. Also, if you are classified as a private foundation, you will be treated as a private foundation from the date of your inception for purposes of sections 507(d) and 4940.

Grantors and donors may rely on the determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you submit the required information within the 90 days, grantors and donors may continue to rely on the advance determination until the Service makes a final determination of your foundation status. However, if notice that you will no longer be treated as a section 170(b)(1)(A)(vi) organization is published in the Internal Revenue Bulletin, grantors and donors may not rely on this determination after the date of such publication. Also, a grantor or donor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 170(b)(1)(A)(vi) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 170(b)(1)(A)(vi) organization.

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. Also, you should inform us of all changes in your name or address.

Generally, you are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. If you have paid FICA taxes without filing the waiver, you should call us. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Requests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

You are required to file Form 990, Return of Organization Exempt from Income Tax, only if your gross receipts each year are normally more than \$10,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, when a return is filed late, unless there is reasonable cause for the delay.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Michael San

CITY OF OAKLAND

FROM: Stephanie Benavidez, Supervising Naturalist
DATE: May 11, 2016
SUBJECT: REQUEST FOR THE OAKLAND PARKS AND RECREATION ADVISORY COMMISSION TO APPROVE THE INSTALLATION OF NEW STEPS IN JOAQUIN MILLER PARK IN ORDER TO IMPROVE SAFETY ON HIKING TRAILS

EXECUTIVE SUMMARY / OUTCOME

In collaboration with Oakland Public Works (OPW) Supervisor Herman Miller, Oakland Parks & Recreation (OPR) Supervising Naturalist Stephanie Benavidez, and Friends of Joaquin Miller Park, OaklandTrails.org has identified two trail sections in Joaquin Miller Park that would benefit from the installation of new steps:

- Lower Palos Colorados Trail (6–8 new steps)
- Fern Ravine Trail (below Sequoia-Bayview Trail, 8–10 new steps)

These hiker-only trails were built decades ago, are severely over-grade, and suffer from erosion. The installation of steps will stabilize the surface and provide a safer path for hikers. A secondary outcome will likely be a deterrent for illegal mountain bike use of the trails.

The materials, clear 6x6 redwood timbers, have been approved by OPW.

OaklandTrails.org would like PRAC to approve the installation of new steps.

FISCAL IMPACT

There should be no fiscal impact to the City of Oakland. OaklandTrails.org will fund this project, and will provide the volunteers needed to install the steps per OPW guidelines. The estimated budget cost to replace the steps is \$1,500.

PROJECT / PROGRAM DESCRIPTION

OaklandTrails.org would like to fund and install new steps in Joaquin Miller Park to improve hiker safety. The steps will be replaced with redwood timbers approved by OPW. Safety will be improved by 1) stabilizing the hiking surface of over-grade trails, and 2) deterring illegal mountain bike use of the trails.

BACKGROUND / LEGISLATIVE HISTORY

The scope of this work has been approved by OPR and OPW. The project has also been shared with Friends of Sausal Creek, Friends of Joaquin Miller Park, and the Bicycle Trails Council of the East Bay. There has been no opposition from these stakeholder groups.

To PRAC
From Friends of Joaquin Miller Park

Dear PRAC Members:

Stan Dodson, past board member and active partner of the Friends of Joaquin Park, recently briefed our Board of Directors on his "trail steps" project in Joaquin Miller Park. We understand his organization, OaklandTrails.org, seeks to fund and install the following:

1. Replacement of 14 rotten steps on lower Palos Colorados Trail
2. Addition of 5-7 steps on over-grade areas of lower Palos Colorados Trail
3. Addition of 8-10 steps on over-grade sections of Fern Ravine Trail

We agree with Stan that this project will enhance safety for hikers and dog walkers by creating a more stable hiking surface in the targeted steep sections of trail. We also understand that a likely secondary outcome will be some degree of deterrent for illegal mountain bike use of these trails. For these reasons, we approve Mr. Dodson's plan.

CITY OF OAKLAND
Oakland Parks & Recreation

TO: Barry Miller, Chair, Parks and Recreation Advisory Commission
FROM: Gail McMillon, Oakland Parks & Recreation
DATE: May 11, 2016
SUBJECT: **REQUEST THE PARKS AND RECREATION ADVISORY COMMISSION APPROVE THE RECOMMENDATION TO CITY COUNCIL TO AMEND CHAPTER 12.64 OF THE OAKLAND MUNICIPAL CODE, PARK AND RECREATION AREA USE REGULATIONS AND SECTION 12.60.070 OF THE OAKLAND MUNICIPAL CODE, BICYCLE OPERATION RULES-VIOLATIONS-PENALTY AS RELATED TO USE IN PARKS**

REASON FOR SUPPLEMENTAL REPORT

At the April 13, 2016 Parks and Recreation Advisory Commission (PRAC) meeting, the PRAC provided several revision to staff's recommendation to amend Chapter 12.64 Park and Recreation Area Use Regulations of the Oakland Municipal Code (OMC) and Section 12.60.070 of the OMC, Bicycle Operation Rules-Violations-Penalty as related to use in parks. Staff has prepared a supplemental report requesting the PRAC approve the revised recommendation to City Council.

FISCAL IMPACT

The fiscal impact of the proposed ordinance change will be the cost to produce and install new park use signs with updated OMC rules. Many park rule signs are outdated, have graffiti on them and were slated for replacement. Since the April, 2016 staff report to PRAC, OPW provided a lower cost for sign replacement. The revised estimated cost is \$25,000 (250 signs at \$100 each). The cost of signs will be covered within the Oakland Public Works (OPW) budget in Fund 4400 – City Facilities Fund. *Attachment C* is a sample draft of the proposed new park sign that will be produced as the City's general park sign.

BACKGROUND

At the April 13, 2016 PRAC meeting the Commission reviewed and conducted a thorough discussion of the OMC relating to park use. PRAC made several modifications to staff's recommendation. Modifications made by PRAC are indicated by underscoring and deletions are indicated by ~~strike through type~~.

12.64.060 - Games.

No person shall engage in any game of baseball, cricket, soccer, football, croquet or any other game with ball and/or bat, within the limits of any public park in the city, except where authorized by the OPR.

12.64.090 - Injuring trees and other properties.

It is unlawful for any person to ~~trespass upon the grass of any public park in the city or to pick flowers from the same~~, or to cut, break or in any way injure, damage or deface the trees, grass, shrubs, turf, buildings, fences, benches, fountains, statuary or any fixtures connected therewith, or to foul any fountains or springs within ~~said park~~ any public park in the city.

12.64.100 - Disorderly conduct, vandalism, sleeping on benches, or pilfering.

Disorderly conduct, pilfering, ~~or vandalizing or sleeping on benches or seats~~ in any public park is strictly prohibited.

12.64.101 - Playgrounds/Play area.

The Director may designate playground areas where the equipment shall be exclusively used or occupied by persons of a specific age range. Areas so designated shall be posted with one or more signs giving notice of the restricted use. Playground areas and equipment shall be used only as intended and shall be used by person of ages as designated with their chaperones or guardians.

12.64.120 - Park noise, musical instrument, and sound reproduction device regulations.

No person shall play, operate, or permit the operation of any sound amplification system or non-amplified sound devices including but not limited to portable or car audio equipment, musical instrument, horn, radio, tape recorder or other device for producing or causing any noise so that sound can be heard ~~fifty (50) or more feet away from~~ in excess of _____ decibels at the source in any park within the city or between the hours of 9 p.m. to 7 a.m. as specified in Section 8.18.020, except upon the issuance of a permit therefor by the Director and payment of the fee specified in the Master Fee Schedule. The PRAC may, in its discretion, further restrict such hours in specific parks where such operation would unreasonably disturb or damage the comfort, peace, health or safety of persons or businesses.

Permits issued for the operation of a sound amplification system or non-amplified sound device shall specify the location of such system or device within the park and the position of each loudspeaker shall be as specified by the Director so as to minimize, to the extent practicable, the amount of amplified sound to be audible in adjacent residential properties. No loudspeaker shall be permitted to be placed in a public park within three hundred (300) feet of any residential structure. In no event shall a permittee cause amplified or non-amplified sound to exceed eighty (80) decibels at any boundary of the park in which sound is being produced.

Note: PRAC requested staff determine an acceptable decibel level.

Article 11. – Park Permits

12.64.250 - Statement of principles.

All parks within the city are held in trust for the use of the public. Included within such use are public assembly, communication of thoughts between citizens and discussion of public questions. These uses of the city's parks are recognized as privileges, immunities, rights, and liberties belonging to all citizens, regardless of sex, race, religion, color, national origin, or political or philosophical persuasion. It is also recognized that the right to use the parks is not absolute, but relative, and must be exercised in subordination to the general comfort and convenience and in consonance with peace and good order.

This code is being reviewed by the City Attorney's Office to identify language to include all protected classes.

12.64.310 - Action on application for permit.

A. Park Use Permits for Private Events. The Director of OPR shall grant or deny applications for park use permits for private events on or before fifteen (15) calendar days after the filing of the application unless the time for such granting or denial of the permit has been waived by the applicant in writing.

B. Applications for OPD Permits for Special Events. The Chief of Police or his designee shall grant or deny applications for special events in parks pursuant to Title 9, Chapter 9.52 of the Oakland Municipal Code.

C. Park Use Permits for Special Events. The Director shall grant or deny applications for park use permits for special events on or before thirty (30) days after the filing of the application unless the time for such granting or denial of the permit has been waived by the applicant in writing.

D. Park Use Permits for Musical or Other Entertainment. The Director shall grant or deny applications for park use permits for musical or other entertainment on or before ~~thirty (30)~~ fifteen (15) days after the filing of the application unless the time for such granting or denial of the permit has been waived by the applicant in writing.

ANALYSIS AND POLICY ALTERNATIVES

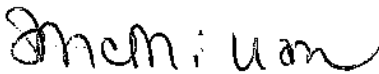

PRAC's suggested revisions were incorporated with the exception of the change to OMC 12.64.120 Park Noise. The Commission requested that staff provide an acceptable decibel level for sound and noise in parks. Staff researched different methods of measuring sound decibels including measurement tools, policy of similar cities, and existing codes and laws. Staff received input from Oakland Police Department (OPD) who expressed that officers are not trained on and do not have a reliable method of measuring the level of decibel sound. In addition, existing OMC sound measurement requirement of 50 feet is consistent with California Vehicle Code 27007 (*Attachment B*). After considering all factors, staff recommends the existing language is retained.

Park signs at most neighborhood parks have misinformation about the prohibition of sound and musical instruments in a park without a permit. Amending Section 12.64.120 Park Noise prohibits amplified and non-amplified sound that can be heard fifty (50) or more feet away from the source or between the hours of 9 p.m. to 7 a.m., except upon the issuance of a permit. The PRAC may, in its discretion, further restrict such hours in specific parks where such operation would unreasonably disturb or damage the comfort, peace, health or safety of persons or businesses.

RECOMMENDATION

Staff recommends that the Parks and Recreation Advisory Commission approve the recommendation to City Council to amend Chapter 12.64 of the Oakland Municipal Code, Parks and Recreation Area Use Regulations; Section 12.60.070 of the Oakland Municipal Code, Bicycle Operation Rules-Violations-Penalty as related to use in parks.
